MEMORANDUM FOR IDAHO AIR NATIONAL GUARD PERSONNEL

FROM: 124 FW/CC

SUBJECT: Environmental Commitment Statement

1. At the Idaho Air National Guard Base, protecting the environment is one of our highest priorities and will be a major factor in decision-making. The Idaho Air National Guard is dedicated to continued improvement of our processes to prevent and reduce waste generation. The Idaho Air National Guard will maintain compliance with federal, state and local environmental laws and regulations as well as Executive Orders, U.S. Air Force instructions and guidance and other requirements.
2. Idaho Air National Guard operates and maintains the A-10 aircraft and its' support equipment. In all of the Idaho Air National Guard activities, we will seek to:
 - a. Promote the conservation and sustainable use of natural and manmade materials.
 - b. Prevent environmental pollution and minimize waste generation.
 - c. Build environmental concerns into all policies, programs and missions.
 - d. Integrate environmental information into all of management.
 - e. Set environmental goals, measure progress and take corrective action when necessary.
 - f. Achieve continuous improvements in environmental performance over and above regulatory and legislative requirements.
 - g. Work in partnership with all stakeholders to promote waste reduction.
3. Compliance with this Environmental Commitment Statement is the responsibility of every member of the Idaho Air National Guard and everyone working on behalf of the Idaho Air National Guard, including contractors and visitors.
4. The Idaho Air National Guard had achieved an enviable environmental record within the Air National Guard. Through continued emphasis on being good stewards of the environment in which we share with the local community, we prove that we are good neighbors and citizens within the City of Boise and the State of Idaho. This environmental policy is made available to the public through posting on the Idaho Air National Guard public website.
